Dear Water and Sewer Customers:

Based on a rate study, The Water Works and Sewer Board of the City of Montevallo voted at its September 20th, 2011 meeting to increase Water and Sewer rates by 9% effective with the October 31st, billing. This increase is necessary due to increased operating expenses in providing quality water and sewer services.

Due to regulations of the Safe Drinking Water Act, we are now testing for over 100 regulated and non-regulated contaminants. We are pleased to report that we did not exceed the limits allowed for any of these.

Please find listed below the new rates. If you have any questions or comments, please contact us at (205) 665-9045.
