

WATER RATE INCREASE

Dear Water and Sewer Customers:

Based on a rate review, The Water Works and Sewer Board of the City of Montevallo voted at its September 22nd, 2015 meeting to increase Water and Sewer rates by 8% effective with the October 31st, 2015 billing. This increase is necessary due to increased operating expenses in providing quality water and sewer services.

The last rate increase was in October of 2012.

Please find listed below the new rates. If you have any questions please contact us at (205) 665-9045.
